

Mission:

To protect, promote & improve the health of all people in Florida through integrated state, county & community efforts.

Ron De Santis
Governor

Scott Rivkees
State Surgeon General

Vision: To be the **Healthiest State** in the Nation

RABIES NOTIFICATION

This is to inform you that a **raccoon** in the area of **Frost Aster Dr Riverview 33579** has tested positive for rabies. Protect your pets and family by following the suggestions listed below:

- **Make sure that your pets are properly vaccinated for rabies. Florida law requires this.**
- **Stay away from all unknown animals to include domestic (dogs & cats) strays, farm livestock and free-roaming (raccoons, foxes, skunks, bats) wildlife.**
- **Keep your pets on your property. Do not allow pets to roam free without supervision.**
- **Do not handle, feed, or unintentionally attract wild animals by leaving pet food outside, or garbage cans open.**
- **If you think you were bitten or scratched by the animal described above please contact the Health Department at the number listed below.**
- **For additional information and to report animal bites contact: Florida Department of Health-Hillsborough Environmental Health Services at 813-307-8059**
- **Hillsborough County requires all domestic animals to be vaccinated for rabies and registered with current tag. For additional information contact Hillsborough County Pet Resource Center at 813-744-5660.**
